# Savannah Homes & Gardens

3 Days March 24-26, 2010

**Day 1** - Travel to Savannah, GA. Meet & Greet Welcome at our Historic District Hotel. Two Nights Deluxe Lodging. Afternoon sightseeing begins with the Ships of the Sea Museum. This Museum's Collection is housed in the elegant home built for William Scarbrough, President of Savannah Steamship Co. Through careful planning and sensitive plant management the Museum's Garden has become a delightful oasis. You will have a chance to tour the museum, home and gardens during this visit. Dinner this evening is at Mrs Wilkes Boaring House, the restaurant is a Savannah legend and serves a very fine Southern Meal.

**Day 2** - Today begins with a Guided Tour of Savannah. Travelers are drawn to this city because of its natural beauty, rich history and good old fashioned Southern Hospitality. It has been said, "that there is an indescribable charm about its streets and buildings, its parks and squares. That it is without a rival, without an equal, that Savannah stands alone." Come see why, and form your own opinion. You will have time for shopping on River Street at lunchtime. Then your afternoon your sightseeing continues with visits to The Telfair Mansion (now a Museum of Art), The Owens Thomas House, The Jepson Center, and the Cathedral of St John the Baptist. Your dinner tonight is at Savannah's most famous restaurant "Lady & Sons" owned by Paula Deen. Ending this busy day is a marveleous show at the Savannah Theater titled "Southern Nights". Sit back, relax and enjoy two hours of high energy music, dance and comedy, perfect for a Southern evening. A little bit country, a little bit rock and roll, plus some Broadway, jazz, and pop, all in one hot production!.

**Day 3** - This morning's tour of the Savannah Lowcountry Tour travels through the Victorian District and Ardsley Park. Then continues to the charming fishing village of Thunderbolt. Your guide will tell stories of the area as you pass Fort Pulaski, Fort Screven and the Tybee Lighthouse. You will also have photo opportunities on the beach at Tybee Island before our lunch at The Crab Shack. This restaurant was voted Best Seafood and Best Outdoor Dining by Savannah Magazine in 2006 and 2007. It has a rich local history and is fitting end to our visit. Following lunch we return to The Villages.
